FEED IT FORWARD

The very BEST way to support our relief effort is to FEED IT FORWARD. Just tell ANYONE wearing a BUTTON that you want to FEED IT FORWARD, and how many people you'd like to buy meals for (\$10 per meal). The very same chef-inspired meal you are getting tonight will be expertly prepared NEXT WEEK for an individual or family in need — THANKS TO YOU.

MAGIC WINE PULL

Wine pulls are fun and simple. For \$50 donation, you get to pull an elegant bottle of fine wine from our sommelier collection — but wait there's a TWIST! You must first delight in a bit of sleight of hand from Magician David Martinez! Can David find your card from the deck of 52 wine bottles? Try it and see!

COMPLIMENTARY PHOTOS

Be sure to get your professionally taken in-car touch-less selfies, for you and your party. One printed photo for your car on the way out, and digital copies available online after the event.

LIVE MUSIC

How long has it been since you've seen a LIVE JAZZ band in person? Well just sit back and enjoy the music of the WALLY SCHNALLE QUARTET, compliments of San Jose JAZZ. And don't forget — windows down? Mask up!

DINNER AND WINE PICK-UP AT CHECK OUT

After driving through our event, your last stop is to pick up dinner and wine. While your trunk is packed with our expertly prepared to-go meal, our check out volunteers will quickly total up your donations from the Raffle, Magic Wine Pull, and Feed it Forward. You can pay for everything at once, with one single touch-less transaction. Credit Cards, checks, and Apple Pay/Android Pay are all accepted. Sorry, no cash. Once paid, we will send a digital receipt via text or email with full detail of your donations.

THANK YOU TO OUR GENEROUS SPONSORS!

All proceeds from today's event support the Hunger at Home COVID Relief Effort. Our relief effort is substantial, but the need in our community is greater. Since March, Hunger at Home has:

- Distributed and produced 2 million meals to our neighbors in need.
- Delivered 1400 meals across 12 facilities 7 days a week in Santa Clara County alone.
- Processed 1,321 pallets or 1,981,500 pounds of food donated by our generous partners.
- Hired dozens of local, laid-off workers to power our food distribution effort.

Unemployment and food insecurity are increasing as the crisis continues. We could not meet the need without the support of our community.

Thank you for your support!
Drive safe and enjoy your meal.
