**Welcome to Hunger at Home's Youth Council**

---

Hunger at Home delivers leading edge solutions that build food security and self-sufficiency for a healthier and more equitable Silicon Valley.

The Hunger at Home Youth Council strives to promote food security through community awareness, advocacy, and action by instilling a spirit of environmental stewardship amongst youth.

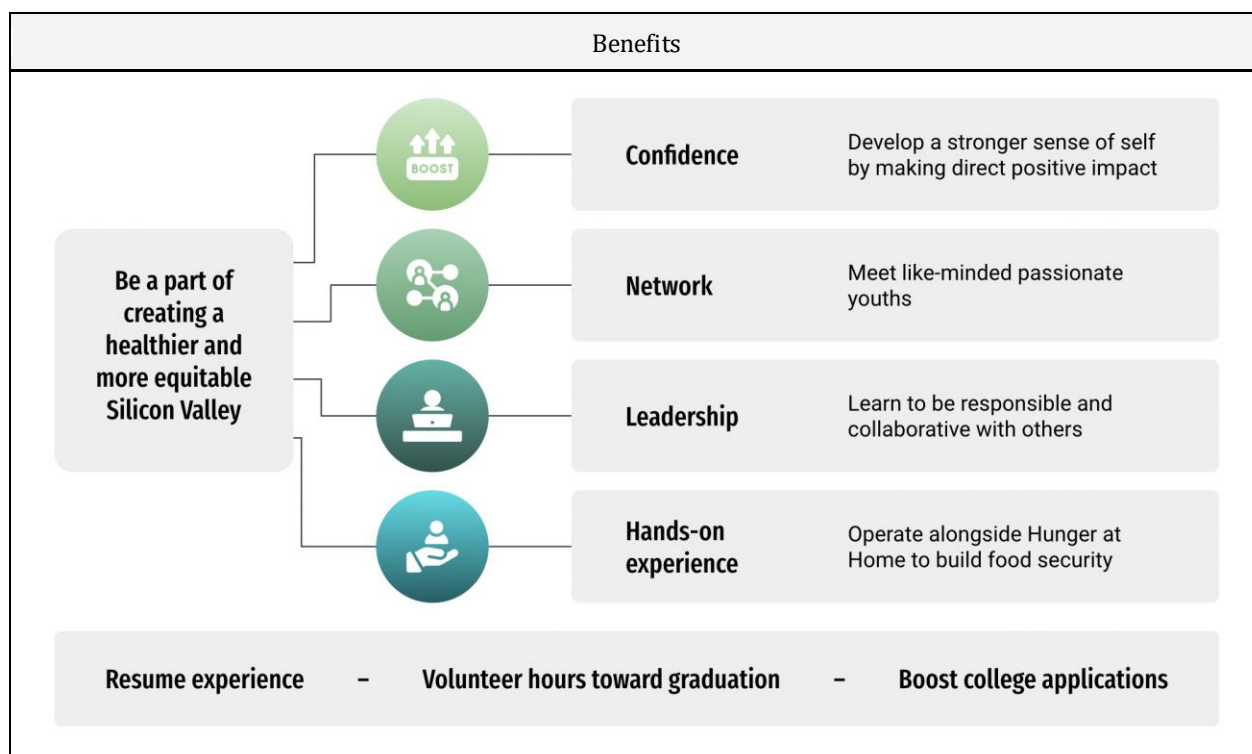

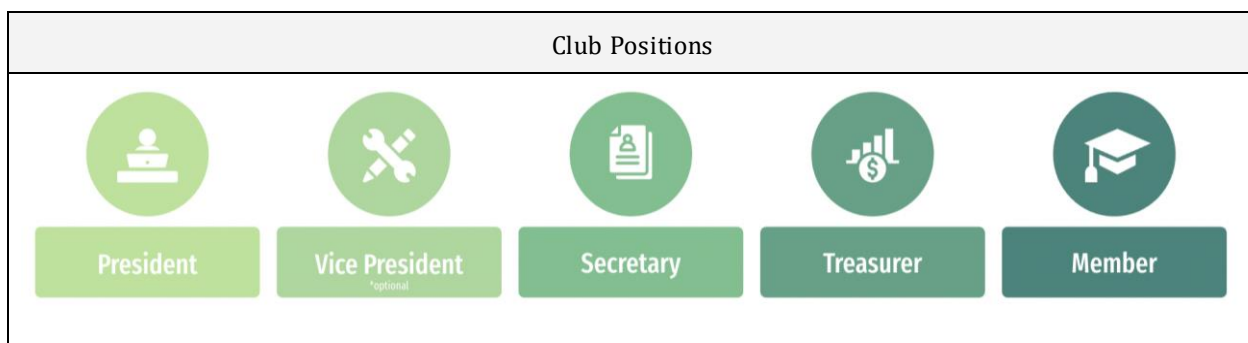

Problem	Hunger at Home's steps toward the solution
 <b>Waste to food insecurity ratio</b> In the US, 108 billion pounds of food go to landfills while 55 million citizens are food insecure <b>51%</b>	 <b>11 million meals</b> rescued and distributed by us and our nonprofit partners
 <b>Global hunger</b> 40% of food production goes to waste, of which 25% would feed every food insecure person <b>10%</b>	 <b>6,625 tons of food</b> diverted from our local landfill - equal to 265 dump trucks.
	 <b>3.87 million kg of carbon emissions</b> from food waste averted
	 <b>8.2 billion gallons</b> of water saved = 12,500 Olympic-sized swimming pools

Founded by youth, Hunger at Home continues to be driven by youth, and as the Youth Council, we are devoted to upholding the motto **Awareness, Advocacy, and Action**. Join the cause.

## What it means to start a club

Hunger at Home Clubs are student run organizations within schools representative of the Hunger at Home Youth Council, dedicated to amplify volunteerism, education, and activism within Silicon Valley. Members are offered a positive forum fostering creativity, innovation, and leadership.

## Our expectations

To facilitate change toward a more equitable San Jose, we seek passion, drive, expansion, and an understanding of Hunger at Home's mission.
