### Looking Back — Moving Forward

It was this time 12 months ago that Hunger at Home pivoted from food rescue to a meal distribution operation to help our neighbors in need feed their families during this time of crisis. However, our work will never be done as long as people are hungry.

Please donate to Hunger at Home as we commemorate our one-year anniversary of our emergency response operation and help us meet a \$75,000 challenge match from **John Michael and Timi Sobrato**. This means your gift will have double the impact.

## The People Who Help People

### Meet Vinni Walia, Board Member

Our Board Member and the Director of Facilities at Team San Jose, **Vinni Walia**, has a longstanding history with Hunger at Home. He is passionate about the laid off and furloughed workers that still need the community's support. Hunger at Home's weekly food distribution lines are still incredibly long and will likely remain so for the foreseeable future. Walia says, "The need for food is tremendous. It's going to take all of us, together."
